25X1 + HAITI COUP - In response to the 17 September coup in Haiti, the FBIS Wire Services Staff contacted major Intelligence Community watch offices to pass on "eyewitness" accounts relayed by phone from the FBIS contract monitor in Port-au-Prince. The contract monitor subsequently translated numerous items from Haitian radios concerning the coup which were fed by telephone to Key West Bureau and then relayed to FBIS Headquarters for dissemination. The White House Situation Room was among the consumers that expressed appreciation for the FBIS reporting.
